

Joanna X. Wu

Avian Ecologist

(650) 796-4319

Los Angeles, CA

 www.joannaxwu.com  mojoxk@gmail.com  [joannaxwu](https://twitter.com/joannaxwu)  [ORCID](https://orcid.org/)  [ResearchGate](https://www.researchgate.net/)

An ornithologist and ecologist, Joanna studies gaps caused by overlooking female birds, climate change, and conservation. Joanna is a member of the [Galbatross Project](#), a group of scientists, birders, writers, and conservationists spreading awareness about often overlooked female birds.

Education	University of California, Los Angeles	2021–Present
	PhD Candidate, Ecology & Evolutionary Biology	
	University of Hawai‘i, Hilo (GPA 3.96)	2010–2012
	MS Tropical Conservation Biology & Environmental Science	
Work & Research	University of California, Berkeley (GPA 3.95, <i>summa cum laude</i>)	2005–2009
	BA Integrative Biology, Minor: Chinese Language	
	2021–Present University of California, Los Angeles <i>PhD Candidate & NSF Graduate Research Fellow.</i> Survival and habitat analysis of female birds and implications of overlooking female birds.	
	2016–2021 National Audubon Society, San Francisco, California <i>Avian Ecologist & Project Manager.</i> Scientific publication; species distribution modeling; supervision and mentorship; co-lead in equity, diversity, and inclusion initiatives.	
Awards	2010, 2013–2016 Institute for Bird Populations, Point Reyes Station, California <i>Staff Biologist.</i> Great Gray Owl conservation strategy; supervision of 10 technicians; research design; avian point counts and bumblebee surveys.	
	2010–2012 University of Hawai‘i, Hilo <i>Graduate Scholar.</i> Frugivore movement and seed dispersal on Hawai‘i.	
	2010 Hawai‘i Volcanoes National Park, Hawai‘i <i>Avian Point Count Intern.</i> Variable radius aural and visual point counts.	
	2008–2009 University of California, Berkeley. Museum of Vertebrate Zoology <i>Honors Thesis.</i> Change in morphological traits of bird from 1900–2000.	
	2007–2009 University of California, Berkeley. Museum of Vertebrate Zoology <i>Field Assistant and Curatorial Assistant.</i> Employ mist nets and mammal traps; prepare and curate museum specimens.	
	2023 Harry R. Painton Award Honorable Mention, American Ornithological Society	
	2021–2026 Graduate Research Fellowship Program, National Science Foundation; \$138,000	
	2021–2026 PI Supplemental Funding, UCLA; \$20,000	
	2021–2026 Graduate Student Researcher, UCLA; \$22,500	
	2022 Summer Mentored Research Fellowship, UCLA; \$8,500	
	2022 Diversity & Inclusion Travel Award, American Ornithological Society; \$1,314	
	2014 Certificate of Appreciation, US Forest Service International Programs	
	2011 Student Research Award, Hawaii Audubon Society; \$500	
	2011 Bergstrom Memorial Research Award, Association of Field Ornithologists; \$850	
	2011 Mewaldt-King Student Research Award, Cooper Ornithological Society; \$1,000	

2006–2009 Dean's Honors List, UC Berkeley (every semester)
 2006 Governor's Scholarship Award, California; \$1,000
Total funding \$214,644 received

Teaching

2022 University of California, Los Angeles. *Teaching Associate, Guest lecturer*, Ornithology.
 2011– University of Hawai'i, Hilo. *Graduate Assistant Instructor, Guest lecturer*, Geographic
 2012 Information Systems, Biostatistics.
 2007 University of California, Berkeley. *Undergraduate Instructor*, Biology 1A Laboratory.

Service & Leadership

Leadership Roles

2022–Present Co-Leader, EEB Dept. Peer Mentorship Program, UCLA
 2022–Present Scientific Advisor, BirdNote
 2020–Present Co-Founder, The Galbatross Project
 2023–2024 Secretary/Co-President, EEB Dept. Graduate Student Association, UCLA
 2019–2024 Member, Diversity & Inclusion Committee, American Ornithological Society
 2021 Elective Member, American Ornithological Society
 2017–2021 Committee, People of Color Affinity Group, National Audubon Society
Peer Reviewer Ornithological Applications, Ornithology, PLOS ONE, PNAS, Current Biology, Pacific Science

Mentorship

2022–Present Mentored 11 undergraduate student researchers over six quarters.
 2018–2019 Mentored two interns on climate data analysis.

Conference Organization

2024 Organizer of American Ornithological Society conference symposium, “Focus on females: insights from studies on female song, behavior, and physiology”
 2019 Co-organizer of American Ornithological Society conference symposium, “Translational ecology—Producing actionable science”
 2018 Organizer of American Ornithological Society conference symposium, “Bridging the gap between science and conservation”
 2011 Co-organizer of inaugural annual Tropical Conservation Biology & Environmental Science research symposium

Outreach

2021–Present Judge, Female Bird Prize, Audubon Photography Awards
 2021–Present Twelve invited talks on female birds to birding organizations
 2020–2024 Guest, Biology Classes, Olympic Peninsula High School, Port Angeles, WA; Wilmington Middle School, Los Angeles, CA; Maywood Center for Enriched Studies Magnet High School, Los Angeles, CA; California State University East Bay, Hayward, CA
 2020 Moderator, Audubon Youth Environmental Summit, virtual

Professional Presentations	<p>2024. American Ornithological Society, Estes Park, Colorado. A case for female birds.</p> <p>2024. Ecological Society of America, Long Beach, California.
